### DEHAIRING PADDLES

## LONG LIFE – HEAVY DUTY

Typical Zeman! We have tested our dehairing paddles in practice for many years. By means of continuous product improvements we have been able to develop outstanding material properties, guaranteeing very high hygienic standards, excellent dehairing results and a long product durability. Registered trademark! Hollandia Zeman® proves the product is genuine!

Zeman Dehairing Paddles Long Life – Heavy Duty more than live up to their reputation. As a result of strict quality control and extensive practical tests a service life of up to 1.8 – 2.0 million uses can be achieved, depending on the machine environment.

### PREMIUM MATERIAL FOR THE BEST RESULTS

- Scrapers made solely from stainless steel (rust-free, magnetic)
- State-of-the-art material, mechanically extremely durable
- Safety spacers

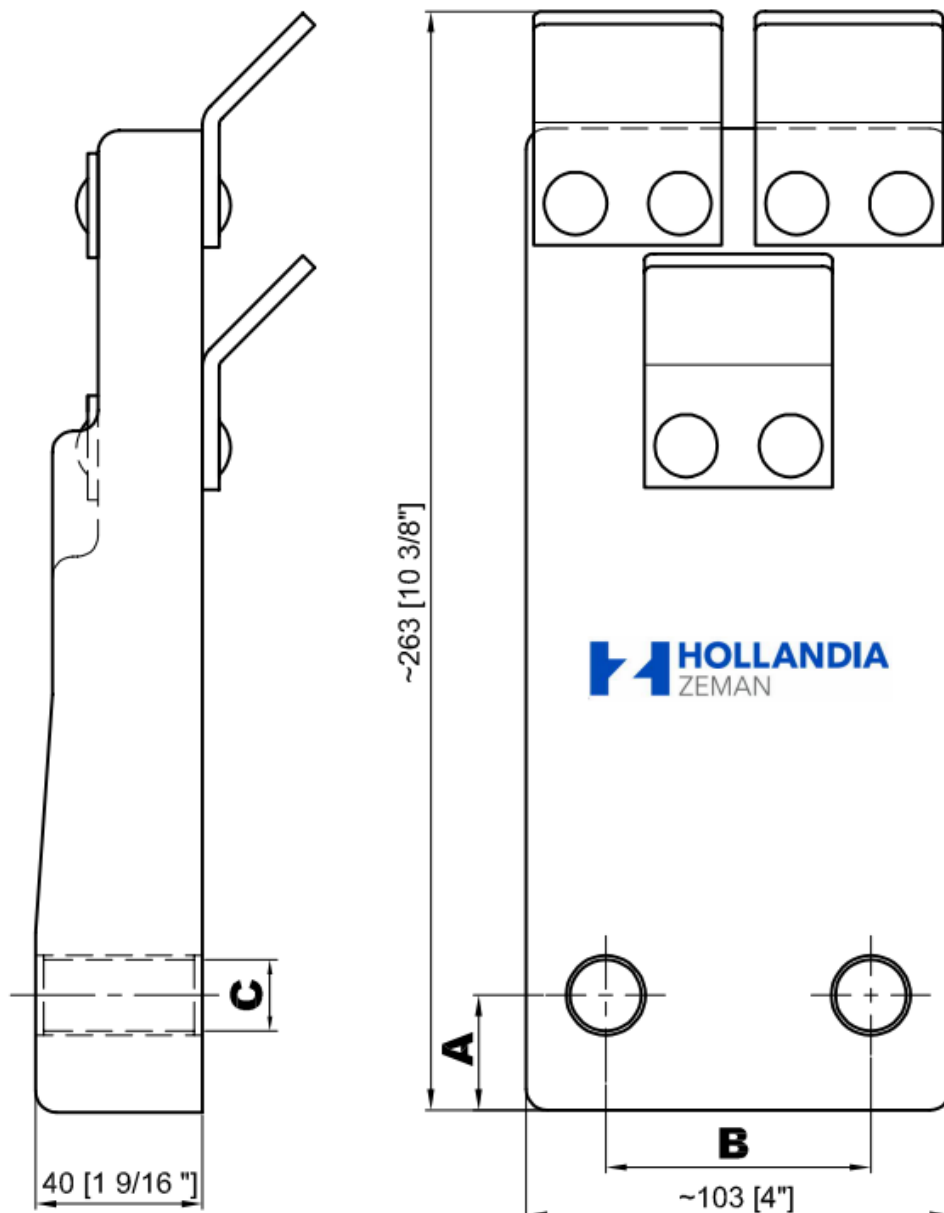

More than 22 layers of nylon fabric are integrated crosswise into the material to provide reinforcement on the inside

- Suitable for heavy duty
- Available in all hole spacings required and different diameters
- Suitable for 1/2" UNF, 9/16" UNF, and 5/8" UNF screws

Dehairing paddles made of natural rubber are supplied with galvanized scrapers as standard equipment. Stainless steel scrapers are also available.
